

A light blue speech bubble with a black outline contains the motto 'ENJOY AND ACHIEVE' in a black, sans-serif font. The text is arranged in three lines: 'ENJOY', 'AND', and 'ACHIEVE'. Two stylized hot air balloons with blue and white vertical stripes and orange baskets are positioned around the speech bubble, one to the left and one to the right, as if they are carrying it.

# LEARNING

**We are a school with the highest expectations and aspirations for all our pupils. Cleves is a happy and exciting learning community that nurtures high attainment and ongoing success for all.**

Our curriculum is rich in the delivery of basic skills as well as the mastery and application of knowledge. The learning environment is stunning and reflects the high emphasis we place on the creative arts and sports to enrich the learning experience.

**We aim to reflect the diversity of the community we serve through strong and powerful community cohesion with high parental involvement across the school.**

We have established links with sister schools in India and France. We also promote an understanding of citizenship and British values through school visits to central London and rural and coastal communities across the UK. Each year our children benefit from residential visits. We offer a large selection of after school clubs including booster and one to one tuition to ensure that all children meet their full potential.

You are more than welcome to come and visit and look around this exceptional school in East Ham.
