Issue 249 05.06.2020

Dear Parent/Carers,

I hope you all are well and keeping safe.

Welcome back after Half Term. The school has been busy working on further opening as directed by the government. We know that this is a very cautious time so it is important that that we take care and still keep to following all of the advice on social distancing and keeping safe at all times.

A big thanks you to Mr Rooney our site supervisor who with the cleaning team have been busy for 10 weeks deep cleaning the whole school.

Some of the children in years R, 1 and 6 have returned after weeks of working at home. They have been getting used to the new classrooms and pods where we have only 6 pupils at a time. The children have been excellent at keeping social distancing rules and having separate play and lunchtimes.

Here are some photos of what's been going on in Cleves this week.

For those who have chosen not to send your children in or who are shielding, we still have complete online learning to do for every year group. Teachers will also be following this up with calls home over the week.

We will be sending out another parent mail form for these key groups to come back to school. Please call us if you have any questions or would like to know more.

I would also like to thank the staff who have volunteered to come in at this time. I especially like to mention our Superstar PE team: Nick, Harry and Junior who have been here nearly everyday throughout the lockdown, keeping all the kids motivated.

They are continuing with many others to volunteer to help our children at this time.

I hope we can slowly and safely further extend this provision to other year groups when it is appropriate to do so.

Please check the website and Parent Mail for weekly updates and contact us on info@cleves.boleyntrust.org if you have any questions.

Safeguarding

We are trying to ensure the safety and wellbeing of all of our school community and know that this is a difficult time for all. If you do need to talk to someone please do call the school office and our family support worker team will be happy to get in contact and talk about anything that you might have difficulty with at this time. Our phone number is 0208 472 6298.

I look forward to seeing you all again soon.

Remember Stay Safe!

Best wishes

Sarah Lack
